List of Applications Deleted in ARL #2728

ApplicationName	Publisher	RecognitionID	New ApplicationName	New Publisher	Reason
BurnAware 13.1 Free	Burnaware	MGS-APP-00000423480	BurnAware 13 Free	Burnaware	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
BurnAware 13.2 Free	Burnaware	MGS-APP-00000423480	BurnAware 13 Free	Burnaware	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
BurnAware 13.3 Free	Burnaware	MGS-APP-00000423480	BurnAware 13 Free	Burnaware	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
BurnAware 13.4 Free	Burnaware	MGS-APP-00000423480	BurnAware 13 Free	Burnaware	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
BurnAware 13.7 Free	Burnaware	MGS-APP-00000423480	BurnAware 13 Free	Burnaware	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 4.7	CentOS	MGS-APP-00000350632	CentOS 4	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 4.8	CentOS	MGS-APP-00000350632	CentOS 4	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 4.9	CentOS	MGS-APP-00000350632	CentOS 4	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 5.11	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
centos 5.2	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 5.3	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 5.4	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 5.5	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 5.6	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 5.7	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 5.8	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 5.9	CentOS	MGS-APP-00000125386	CentOS 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 6.0	CentOS	MGS-APP-00000200362	CentOS 6	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 6.1	CentOS	MGS-APP-00000200362	CentOS 6	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 6.3	CentOS	MGS-APP-00000200362	CentOS 6	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 6.4	CentOS	MGS-APP-00000200362	CentOS 6	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 6.5	CentOS	MGS-APP-00000200362	CentOS 6	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
CentOS 6.6	CentOS	MGS-APP-00000200362	CentOS 6	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
DivX Player 10.3	DivX	MGS-APP-00000140698	DivX Player 10	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
DivX Player 10.8	DivX	MGS-APP-00000140698	DivX Player 10	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
fakeroot 1.2	Canonical	MGS-APP-00000270020	fakeroot 1	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Free Download Manager 6.14	Free Downlc	MGS-APP-00000413854	Free Download Mana;	Free Download	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Free Download Manager 6.16	Free Downlc	MGS-APP-00000413854	Free Download Mana;	Free Download	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Free Download Manager 6.9	Free Downlc	MGS-APP-00000413854	Free Download Mana;	Free Download	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
gperf 3.1	Canonical	MGS-APP-00000413654	gperf 3	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
gsettings-desktop-schemas 3.2	Canonical	MGS-APP-00000269992	gsettings-desktop-sche	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 2.5	Kakao	MGS-APP-00000463585	KakaoTalk 2	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 2.6	Kakao	MGS-APP-00000463585	KakaoTalk 2	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 2.7	Kakao	MGS-APP-00000463585	KakaoTalk 2	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 2.8	Kakao	MGS-APP-00000463585	KakaoTalk 2	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 2.9	Kakao	MGS-APP-00000463585	KakaoTalk 2	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 3.1	Kakao	MGS-APP-00000413278	KakaoTalk 3	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 3.2	Kakao	MGS-APP-00000413278	KakaoTalk 3	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 3.3	Kakao	MGS-APP-00000413278	KakaoTalk 3	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
KakaoTalk 3.4	Kakao	MGS-APP-00000413278	KakaoTalk 3	Kakao	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
libhttp-daemon-perl 6.1	Canonical	MGS-APP-00000288372	libhttp-daemon-perl 6	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
libnet-ssleay-perl 1.92	Canonical	MGS-APP-00000280097	libnet-ssleay-perl 1	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
libosinfo 1.5	Red Hat	MGS-APP-00000261422	libosinfo 1	Red Hat	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
libprelude 5.2	Fedora Proje	MGS-APP-00000366935	libprelude 5	Fedora Project	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
libtry-tiny-perl 0.31	Canonical	MGS-APP-00000282412	libtry-tiny-perl 0	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
lzo 2.08	CentOS	MGS-APP-00000351327	lzo 2	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MariaDB-client 10.1	MariaDB	MGS-APP-00000307628	MariaDB-client 10	MariaDB	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MariaDB-client 10.2	MariaDB	MGS-APP-00000307628	MariaDB-client 10	MariaDB	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
mariadb-client 10.3	MariaDB	MGS-APP-00000307628	MariaDB-client 10	MariaDB	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MariaDB-client 10.4	MariaDB	MGS-APP-00000307628	MariaDB-client 10	MariaDB	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
mariadb-client 10.5	MariaDB	MGS-APP-00000307628	MariaDB-client 10	MariaDB	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
mariadb-client-core 10.1	MariaDB	MGS-APP-00000412399	mariadb-client-core 10	MariaDB	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
mariadb-client-core 10.3	MariaDB	MGS-APP-00000412399	mariadb-client-core 10	MariaDB	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Maxima 5.11	Maxima Dev	MGS-APP-00000061291	Maxima 5	Maxima Develc	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Maxima 5.23	Maxima Dev	MGS-APP-00000061291	Maxima 5	Maxima Develc	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Maxima 5.3	Maxima Dev	MGS-APP-00000061291	Maxima 5	Maxima Develc	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Maxima 5.34	Maxima Dev	MGS-APP-00000061291	Maxima 5	Maxima Develc	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Maxima 5.38	Maxima Dev	MGS-APP-00000061291	Maxima 5	Maxima Develc	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Maxima 5.9	Maxima Dev	MGS-APP-00000061291	Maxima 5	Maxima Develc	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Mimeo Photos 4.2	Mimeo	MGS-APP-00000421594	Mimeo Photos 4	Mimeo	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Mimeo Photos 4.3	Mimeo	MGS-APP-00000421594	Mimeo Photos 4	Mimeo	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Mimeo Photos 4.5	Mimeo	MGS-APP-00000421594	Mimeo Photos 4	Mimeo	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Nuance Management Station 5.5	Nuance	MGS-APP-00000294702	Nuance Management S	Nuance	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Nuance Management Station 6.2	Nuance	MGS-APP-00000426594	Nuance Management S	Nuance	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Nuance Management Station 6.3	Nuance	MGS-APP-00000426594	Nuance Management S	Nuance	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Nuance Management Station 6.4	Nuance	MGS-APP-00000426594	Nuance Management S	Nuance	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
PC Hardware Diagnostics Window	HP	MGS-APP-00000320854	PC Hardware Diagnosti	HP	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
PC Hardware Diagnostics Window	HP	MGS-APP-00000320854	PC Hardware Diagnosti	HP	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
PDFTK Builder 3.10	Angus Johns	MGS-APP-00000135007	PDFTK Builder 3	Angus Johnson	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
perl-common-sense 3.5	Fedora Proje	MGS-APP-00000292557	perl-common-sense 3	Fedora Project	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
python-crypto 2.6	Fedora Proje	MGS-APP-00000057549	python-crypto 2	Fedora Project	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.11	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.12	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.15	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.17	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.18	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.19	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.21	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.23	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.24	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.25	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.26	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.5	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.6	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Scratch Desktop 3.9	Scratch Foun	MGS-APP-00000421612	Scratch Desktop 3	Scratch Founda	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Simplenote 2.11	AUTOMATTI	MGS-APP-00000427705	Simplenote 2	AUTOMATTIC	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Simplenote 2.14	AUTOMATTI	MGS-APP-00000427705	Simplenote 2	AUTOMATTIC	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Simplenote 2.15	AUTOMATTI	MGS-APP-00000427705	Simplenote 2	AUTOMATTIC	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Simplenote 2.17	AUTOMATTI	MGS-APP-00000427705	Simplenote 2	AUTOMATTIC	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Simplenote 2.21	AUTOMATTI	MGS-APP-00000427705	Simplenote 2	AUTOMATTIC	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Simplenote 2.9	AUTOMATTI	MGS-APP-00000427705	Simplenote 2	AUTOMATTIC	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Streamlabs Desktop 1.10	Logitech	MGS-APP-00000448014	Streamlabs Desktop 1	Logitech	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Streamlabs Desktop 1.7	Logitech	MGS-APP-00000448014	Streamlabs Desktop 1	Logitech	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Streamlabs Desktop 1.8	Logitech	MGS-APP-00000448014	Streamlabs Desktop 1	Logitech	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Streamlabs Desktop 1.9	Logitech	MGS-APP-00000448014	Streamlabs Desktop 1	Logitech	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Synapse 1.18	Razer	MGS-APP-00000294966	Synapse 1	Razer	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Synapse 1.7	Razer	MGS-APP-00000294966	Synapse 1	Razer	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Synapse 1.8	Razer	MGS-APP-00000294966	Synapse 1	Razer	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Synapse 3.3	Razer	MGS-APP-00000268441	Synapse 3	Razer	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Synapse 3.4	Razer	MGS-APP-00000268441	Synapse 3	Razer	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Synapse 3.5	Razer	MGS-APP-00000268441	Synapse 3	Razer	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Synapse 3.6	Razer	MGS-APP-00000268441	Synapse 3	Razer	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
Synapse 3.7	Razer	MGS-APP-00000268441	Synapse 3	Razer	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 3.21	Futuremark	MGS-APP-00000087136	SystemInfo 3	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 4.2	Futuremark	MGS-APP-00000246424	SystemInfo 4	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 4.24	Futuremark	MGS-APP-00000246424	SystemInfo 4	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 4.3	Futuremark	MGS-APP-00000246424	SystemInfo 4	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 4.4	Futuremark	MGS-APP-00000246424	SystemInfo 4	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 5.10	Futuremark	MGS-APP-00000405109	SystemInfo 5	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 5.18	Futuremark	MGS-APP-00000405109	SystemInfo 5	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 5.29	Futuremark	MGS-APP-00000405109	SystemInfo 5	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
SystemInfo 5.5	Futuremark	MGS-APP-00000405109	SystemInfo 5	Futuremark	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
The Unarchiver 3.1	MacPaw	MGS-APP-00000267622	The Unarchiver 3	MacPaw	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
The Unarchiver 3.2	MacPaw	MGS-APP-00000267622	The Unarchiver 3	MacPaw	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
The Unarchiver 3.6	MacPaw	MGS-APP-00000267622	The Unarchiver 3	MacPaw	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
The Unarchiver 4.1	MacPaw	MGS-APP-00000286872	The Unarchiver 4	MacPaw	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
The Unarchiver 4.2	MacPaw	MGS-APP-00000286872	The Unarchiver 4	MacPaw	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
