CrystalDiskInfo 8.1 CrystalDiskInfo 8.2			New ApplicationName CrystalDiskInfo 8 CrystalDiskInfo 8			nored in favor of new wildcarding rule for non-co			
CrystalDiskInfo 8.3	Crystal Dew World	MGS-APP-00000361896	CrystalDiskInfo 8	Crystal Dew World	This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
CrystalDiskInfo 8.4 CrystalDiskInfo 8.5	Crystal Dew World	MGS-APP-00000361896		Crystal Dew World	This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
CrystalDiskInfo 8.6 CrystalDiskInfo 8.7	Crystal Dew World		CrystalDiskInfo 8	Crystal Dew World	This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
CrystalDiskInfo 8.8 Development Environment 11.10		MGS-APP-00000361896 MGS-APP-00000294735	CrystalDiskInfo 8 Development Environment 11	Crystal Dew World OutSystems		nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co			
Development Environment 11.11 Development Environment 11.12		MGS-APP-00000294735 MGS-APP-00000294735	Development Environment 11 Development Environment 11			nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co			
Development Environment 11.13 Development Environment 11.14	OutSystems	MGS-APP-00000294735	Development Environment 11 Development Environment 11	OutSystems	This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Development Environment 11.5	OutSystems	MGS-APP-00000294735 MGS-APP-00000294735	Development Environment 11	OutSystems	This Application is ig	nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Development Environment 11.6 Development Environment 11.7 Development Environment 11.8	OutSystems OutSystems	MGS-APP-00000294735	Development Environment 11 Development Environment 11	OutSystems	This Application is ig	nored in favor of new wildcarding rule for non-con	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Development Environment 11.9	OutSystems	MGS-APP-00000294735 MGS-APP-00000294735	Development Environment 11 Development Environment 11	OutSystems	This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
eog 2.16 eog 2.28	Micro Focus	MGS-APP-00000058079	eog 2 eog 2	Micro Focus	This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Folder Colorizer 2.2 Folder Colorizer 2.4	Softorino Softorino	MGS-APP-00000430044 MGS-APP-00000430044	Folder Colorizer 2 Folder Colorizer 2			nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co			
Gyazo 3.5 Gyazo 3.6	Nota Nota	MGS-APP-00000275337 MGS-APP-00000275337	Gyazo 3 Gyazo 3		This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Gyazo 3.7 Gyazo 3.8	Nota Nota	MGS-APP-00000275337 MGS-APP-00000275337	Gyazo 3 Gyazo 3		This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Gyazo 4.2 NetworkManager 1.1	Nota Micro Focus	MGS-APP-00000417085 MGS-APP-00000258985	Gyazo 4		This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
NetworkManager 1.2	Micro Focus	MGS-APP-0000258985 MGS-APP-00000400192	NetworkManager 1	Micro Focus	This Application is ig	nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
postgresql 10.22 postgresql 10.6	Micro Focus	MGS-APP-00000400192	postgresql 10	Micro Focus	This Application is ig	nored in favor of new wildcarding rule for non-con nored in favor of new wildcarding rule for non-con	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
seahorse 2.28 Signal 1.11	Micro Focus Signal Messenger	MGS-APP-0000058626 MGS-APP-00000421770	Signal 1	Micro Focus Signal Messenger	This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Signal 1.25 Signal 1.29		MGS-APP-00000421770 MGS-APP-00000421770		Signal Messenger		nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co			
Signal 1.31 Signal 1.34	Signal Messenger	MGS-APP-00000421770	Signal 1		This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Signal 1.37 Signal 1.38	Signal Messenger	MGS-APP-00000421770 MGS-APP-00000421770		Signal Messenger	This Application is ig	nored in favor of new wildcarding rule for non-col nored in favor of new wildcarding rule for non-col	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Signal 1.39 Signal 1.40	Signal Messenger	MGS-APP-00000421770 MGS-APP-00000421770 MGS-APP-00000421770			This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Speech Server Client 5.1	Nuance	MGS-APP-00000143476	Speech Server Client 5	Nuance	This Application is ig	nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Speech Server Client 6.5 Speech Server Client 7.1	Nuance	MGS-APP-00000293628	Speech Server Client 6 Speech Server Client 7	Nuance	This Application is ig	nored in favor of new wildcarding rule for non-connored rule favor of new wildcarding rule for non-connored rule favor of new wildcarding rule favor of new wildcardin	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Speech Server Client 7.3 Speech Server Client 7.4	Nuance Nuance	MGS-APP-00000293628 MGS-APP-00000293628	Speech Server Client 7 Speech Server Client 7		This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Speech Server Client 7.5 Speech Server Client 7.6	Nuance Nuance	MGS-APP-00000293628	Speech Server Client 7 Speech Server Client 7	Nuance Nuance	This Application is ig This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re mmercial applications. All re	elated evidences are mapped to respective elated evidences are mapped to respective	major version of the Product. major version of the Product.
WinCT 5.4 Windows Azure Storage Tools 6.2	A&D Microsoft	MGS-APP-00000272908 MGS-APP-00000257933	WinCT 5 Windows Azure Storage Tools 6	A&D	This Application is ig	nored in favor of new wildcarding rule for non-co nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
Windows Azure Storage Tools 6.3 Activation Module 1.0	Microsoft Sonic Solutions		Windows Azure Storage Tools 6	Microsoft	This Application is ig	nored in favor of new wildcarding rule for non-co	mmercial applications. All re	elated evidences are mapped to respective	major version of the Product.
