List of Applications Deleted in ARL #2802

Old RecognitionID	Old ApplicationName	Old Publisher	New RecognitionID	New ApplicationName	New Publisher	Reason
MGS-APP-00000267228	Adium 1.5	Adium Team	MGS-APP-00000421448	Adium 1	Adium Team	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000206928	AFP Viewer Plug-In 2.7	Ricoh Americas	MGS-APP-00000009561	AFP Viewer Plug-In 2	Ricoh Americas	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000345805	AFP Viewer Plug-In 3.5	Ricoh Americas	MGS-APP-00000009652	AFP Viewer Plug-In 3	Ricoh Americas	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000207092	AFP Viewer Plug-In 3.6	Ricoh Americas	MGS-APP-00000009652	AFP Viewer Plug-In 3	Ricoh Americas	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000474539	AFP Viewer Plug-In 3.8	Ricoh Americas	MGS-APP-00000009652	AFP Viewer Plug-In 3	Ricoh Americas	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000419780	Ambari Agent 1.4	Apache Software Foundation	MGS-APP-00000496371	Ambari Agent 1	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000287662	Ambari Agent 1.6	Apache Software Foundation	MGS-APP-00000496371	Ambari Agent 1	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000262929	Ambari Agent 1.7	Apache Software Foundation	MGS-APP-00000496371	Ambari Agent 1	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000262948	Ambari Agent 2.1	Apache Software Foundation	MGS-APP-00000418908	Ambari Agent 2	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000263148	Ambari Agent 2.2	Apache Software Foundation	MGS-APP-00000418908	Ambari Agent 2	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000255286	Ambari Agent 2.4	Apache Software Foundation	MGS-APP-00000418908	Ambari Agent 2	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000263124	Ambari Agent 2.5	Apache Software Foundation	MGS-APP-00000418908	Ambari Agent 2	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000426931	Ambari Agent 2.6	Apache Software Foundation	MGS-APP-00000418908	Ambari Agent 2	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000414951	Ambari Agent 2.7	Apache Software Foundation	MGS-APP-00000418908	Ambari Agent 2	Apache Software Foundation	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000306261	Application Performance Management Introscope Enterprise Manager 10.2	Broadcom	MGS-APP-00000307703	Application Performance Management Introscope Enterprise Manager 10	Broadcom	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000302670	Application Performance Management Introscope Enterprise Manager 10.3	Broadcom	MGS-APP-00000307703	Application Performance Management Introscope Enterprise Manager 10	Broadcom	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000308724	Application Performance Management Introscope Enterprise Manager 10.5	Broadcom	MGS-APP-00000307703	Application Performance Management Introscope Enterprise Manager 10	Broadcom	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000301614	Application Performance Management Introscope Enterprise Manager 10.7	Broadcom	MGS-APP-00000307703	Application Performance Management Introscope Enterprise Manager 10	Broadcom	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000304533	Application Performance Management Introscope Enterprise Manager 7.2	Broadcom	MGS-APP-00000302867	Application Performance Management Introscope Enterprise Manager 7	Broadcom	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000301718	Application Performance Management Introscope Enterprise Manager 8.2	Broadcom	MGS-APP-00000305894	Application Performance Management Introscope Enterprise Manager 8	Broadcom	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000256786	Application Performance Management Introscope Enterprise Manager 9.7	Broadcom	MGS-APP-00000247942	Application Performance Management Introscope Enterprise Manager 9	Broadcom	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000259047	Application Version Manager 3.1	DNV	MGS-APP-00000258861	Application Version Manager 3	DNV	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000439333	Auditbeat 6.2	Elasticsearch	MGS-APP-00000495962	Auditbeat 6	Elasticsearch	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000455325	Auditbeat 6.4	Elasticsearch	MGS-APP-00000495962	Auditbeat 6	Elasticsearch	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000447992	Auditbeat 6.5	Elasticsearch	MGS-APP-00000495962	Auditbeat 6	Elasticsearch	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000424098	Auditbeat 6.6	Elasticsearch	MGS-APP-00000495962	Auditbeat 6	Elasticsearch	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000430780	Auditbeat 6.7	Elasticsearch	MGS-APP-00000495962	Auditbeat 6	Elasticsearch	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000454876	bluez 5.41	CentOS	MGS-APP-00000418465	bluez 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000337947	bluez 5.44	CentOS	MGS-APP-00000418465	bluez 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000413683	bluez 5.50	CentOS	MGS-APP-00000418465	bluez 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000419211	bluez 5.52	CentOS	MGS-APP-00000418465	bluez 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000440138	bluez 5.56	CentOS	MGS-APP-00000418465	bluez 5	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000073191	Client Profile Updating Utility 4.3	Quest	MGS-APP-00000005587	Client Profile Updating Utility 4	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000301773	Client Profile Updating Utility 4.4	Quest	MGS-APP-00000005587	Client Profile Updating Utility 4	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000308011	Client Profile Updating Utility 4.5	Quest	MGS-APP-00000005587	Client Profile Updating Utility 4	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000302342	Client Profile Updating Utility 4.6	Quest	MGS-APP-00000005587	Client Profile Updating Utility 4	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000247467	Client Profile Updating Utility 5.1	Quest	MGS-APP-00000306581	Client Profile Updating Utility 5	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000204136	Client Profile Updating Utility 5.2	Quest	MGS-APP-00000306581	Client Profile Updating Utility 5	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000259971	Client Profile Updating Utility 5.3	Quest	MGS-APP-00000306581	Client Profile Updating Utility 5	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000254982	Client Profile Updating Utility 5.4	Quest	MGS-APP-00000306581	Client Profile Updating Utility 5	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000223819	Client Profile Updating Utility 5.5	Quest	MGS-APP-00000306581	Client Profile Updating Utility 5	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000305005	Client Profile Updating Utility 5.6	Quest	MGS-APP-00000306581	Client Profile Updating Utility 5	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000281022	Client Profile Updating Utility 5.7	Quest	MGS-APP-00000306581	Client Profile Updating Utility 5	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000479200	Client Profile Updating Utility 5.8	Quest	MGS-APP-00000306581	Client Profile Updating Utility 5	Quest	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000444530	cloud-init 20.2	Canonical	MGS-APP-00000449173	cloud-init 20	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000445163	cloud-init 20.3	Canonical	MGS-APP-00000449173	cloud-init 20	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000444499	cloud-init 20.4	Canonical	MGS-APP-00000449173	cloud-init 20	Canonical	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000330772	clustershell 1.7	Fedora Project	MGS-APP-00000330803	clustershell 1	Fedora Project	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000330980	clustershell 1.8	Fedora Project	MGS-APP-00000330803	clustershell 1	Fedora Project	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000465290	clustershell 1.9	Fedora Project	MGS-APP-00000330803	clustershell 1	Fedora Project	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000341477	Cura 15.02	Ultimaker	MGS-APP-00000387367	Cura 15	Ultimaker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000289220	Cura 15.04	Ultimaker	MGS-APP-00000387367	Cura 15	Ultimaker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000294910	Cura 2.3	Ultimaker	MGS-APP-00000484585	Cura 2	Ultimaker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000294984	Cura 2.4	Ultimaker	MGS-APP-00000484585	Cura 2	Ultimaker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000276473	Cura 2.5	Ultimaker	MGS-APP-00000484585	Cura 2	Ultimaker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000275035	Cura 2.6	Ultimaker	MGS-APP-00000484585	Cura 2	Ultimaker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000380909	Cura 2.7	Ultimaker	MGS-APP-00000484585	Cura 2	Ultimaker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000338351	dhcp 4.2	CentOS	MGS-APP-00000330785	dhcp 4	CentOS	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000482791	Discovery Software 2.2	Western Digital	MGS-APP-00000288200	Discovery Software 2	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000417360	Discovery Software 3.2	Western Digital	MGS-APP-00000412382	Discovery Software 3	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000418275	Discovery Software 3.3	Western Digital	MGS-APP-00000412382	Discovery Software 3	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000417498	Discovery Software 3.4	Western Digital	MGS-APP-00000412382	Discovery Software 3	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000416907	Discovery Software 3.5	Western Digital	MGS-APP-00000412382	Discovery Software 3	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000412305	Discovery Software 3.6	Western Digital	MGS-APP-00000412382	Discovery Software 3	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000412327	Discovery Software 3.7	Western Digital	MGS-APP-00000412382	Discovery Software 3	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000413845	Discovery Software 3.8	Western Digital	MGS-APP-00000412382	Discovery Software 3	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000411739	Discovery Software 3.9	Western Digital	MGS-APP-00000412382	Discovery Software 3	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000412093	Discovery Software 4.1	Western Digital	MGS-APP-00000412036	Discovery Software 4	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000412017	Discovery Software 4.2	Western Digital	MGS-APP-00000412036	Discovery Software 4	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000417219	Discovery Software 4.3	Western Digital	MGS-APP-00000412036	Discovery Software 4	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000464559	Discovery Software 4.4	Western Digital	MGS-APP-00000412036	Discovery Software 4	Western Digital	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000464656	DivX Converter 1.3	DivX	MGS-APP-00000003101	DivX Converter 1	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000464218	DivX Converter 10.6	DivX	MGS-APP-00000464070	DivX Converter 10	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000463952	DivX Converter 10.7	DivX	MGS-APP-00000464070	DivX Converter 10	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000423845	DivX Converter 10.8	DivX	MGS-APP-00000464070	DivX Converter 10	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000031734	DivX Converter 6.1	DivX	MGS-APP-00000001831	DivX Converter 6	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000002601	DivX Converter 6.2	DivX	MGS-APP-00000001831	DivX Converter 6	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000033677	DivX Converter 6.5	DivX	MGS-APP-00000001831	DivX Converter 6	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000039403	DivX Converter 6.6	DivX	MGS-APP-00000001831	DivX Converter 6	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000096352	DivX Converter 7.1	DivX	MGS-APP-00000080534	DivX Converter 7	DivX	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000353113	Docker Toolbox 1.8	Docker	MGS-APP-00000237152	Docker Toolbox 1	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000237209	Docker Toolbox 1.9	Docker	MGS-APP-00000237152	Docker Toolbox 1	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000252905	Docker Toolbox 17.04	Docker	MGS-APP-00000252827	Docker Toolbox 17	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000252882	Docker Toolbox 17.05	Docker	MGS-APP-00000252827	Docker Toolbox 17	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000257758	Docker Toolbox 17.06	Docker	MGS-APP-00000252827	Docker Toolbox 17	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000257874	Docker Toolbox 17.07	Docker	MGS-APP-00000252827	Docker Toolbox 17	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000274789	Docker Toolbox 17.10	Docker	MGS-APP-00000252827	Docker Toolbox 17	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000288048	Docker Toolbox 18.02	Docker	MGS-APP-00000287731	Docker Toolbox 18	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000287707	Docker Toolbox 18.03	Docker	MGS-APP-00000287731	Docker Toolbox 18	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000359612	Docker Toolbox 18.09	Docker	MGS-APP-00000287731	Docker Toolbox 18	Docker	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000439096	dupeGuru 4.1	Hardcoded Software	MGS-APP-00000287426	dupeGuru 4	Hardcoded Software	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000336117	Electron provider 1.7	Microsoft	MGS-APP-00000335840	Electron provider 1	Microsoft	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000336098	Electron provider 1.8	Microsoft	MGS-APP-00000335840	Electron provider 1	Microsoft	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
MGS-APP-00000446064	Entity Developer 6.2 Express	Devart	MGS-APP-00000354154	Entity Developer 6	Devart	This Application is ignored in favor of new wildcarding rule for non-commercial applications. All related evidences are mapped to respective major version of the Product.
