

## List of New Applications Added in ARL #2538

| Application Name                                               | Publisher           |
|----------------------------------------------------------------|---------------------|
| 1042-S Pro 2018 Professional                                   | 1099 Pro            |
| 1099 Pro 2019 Enterprise                                       | 1099 Pro            |
| 1042-S Pro 2017 Professional                                   | 1099 Pro            |
| 1042-S Pro 2019 Professional                                   | 1099 Pro            |
| 1042-S Pro 2015 Professional                                   | 1099 Pro            |
| 1042-S Pro 2014 Professional                                   | 1099 Pro            |
| 1099 Pro 2015 Enterprise                                       | 1099 Pro            |
| 1E Client 5.0                                                  | 1E                  |
| Complete Anatomy 4.0                                           | 3D4Medical          |
| AdGuard 2.4                                                    | AdGuard             |
| Acrobat DC (2019) Pro                                          | Adobe               |
| Creative Cloud Desktop Application 5.2                         | Adobe               |
| Dimension 3.3                                                  | Adobe               |
| Open Java Development Kit 11                                   | AdoptOpenJDK        |
| Integra Vending 1.0                                            | ADS SYSTEMS         |
| Aeon Timeline 2.3                                              | Aeon Timeline       |
| Enterprise Application Access Client 2.0                       | Akamai Technologies |
| AppDynamics .NET Agent 20.4                                    | AppDynamics         |
| Calendar 10.0                                                  | Apple               |
| Dodeca Reporting 7.1                                           | Applied OLAP        |
| FastStats Discoverer 1.0                                       | Apteco              |
| Atlassian Companion 0.6                                        | Atlassian           |
| Atlassian Companion 1                                          | Atlassian           |
| Dante Virtual Soundcard 4.0                                    | Audinate            |
| Dante Updater 1.0                                              | Audinate            |
| Dante Discovery 1.3                                            | Audinate            |
| Dante Control and Monitoring 4.0                               | Audinate            |
| Dante Controller 4.2                                           | Audinate            |
| Dante Virtual Soundcard 4.1                                    | Audinate            |
| Dante Firmware Update Manager 3.1                              | Audinate            |
| Navisworks Manage with 2021 DWG File Reader 2021               | Autodesk            |
| Inventor Electrical Catalog Browser Language Pack 2021         | Autodesk            |
| AutoCAD Architecture Shared 2021                               | Autodesk            |
| AutoCAD Civil 3D Language Pack 2021                            | Autodesk            |
| Revit Interoperability for Inventor 2021                       | Autodesk            |
| Robot Structural Analysis Professional 2021                    | Autodesk            |
| STL Exporter for Revit 2020                                    | Autodesk            |
| Storm and Sanitary Analysis 2021                               | Autodesk            |
| AutoCAD Plant 3D Language Pack 2021                            | Autodesk            |
| Civil 3D Batch Save Utility                                    | Autodesk            |
| Civil 3D Object Enabler 2021                                   | Autodesk            |
| Vault Mirror 2014                                              | Autodesk            |
| Storm and Sanitary Analysis Plug-in 2021                       | Autodesk            |
| ACAD Private                                                   | Autodesk            |
| NVIDIA mental ray and Iray feature plugins for 3ds Max         | Autodesk            |
| Inventor Electrical Catalog Browser 2021                       | Autodesk            |
| Content Migration Utility for AutoCAD Electrical Language Pack | Autodesk            |
| Inventor Content Center Libraries - Desktop Content 2021       | Autodesk            |
| Civil 3D 2021                                                  | Autodesk            |
| ReCap 7.0                                                      | Autodesk            |
| AutoCAD Map 3D Language Pack 2021                              | Autodesk            |

|                                                        |                         |
|--------------------------------------------------------|-------------------------|
| Shared Reference Point for Autodesk Civil 3D 2019      | Autodesk                |
| Inventor Infrastructure Modeler Plugin 20.2            | Autodesk                |
| Desktop Connect Service 6.0                            | Autodesk                |
| Genuine Service                                        | Autodesk                |
| NavisWorks Manage 2021                                 | Autodesk                |
| Desktop Connector 10.3                                 | Autodesk                |
| Shared Reference Point for Revit 2020                  | Autodesk                |
| Content Migration Utility for AutoCAD Electrical       | Autodesk                |
| Vehicle Tracking Object Enabler 2019                   | Autodesk                |
| Revit DB Link 2020                                     | Autodesk                |
| Subassembly Composer on AutoCAD Civil 3D 2021          | Autodesk                |
| Advance Steel 2016 Revit Extension 20.0                | Autodesk                |
| AutoCAD Architecture & AutoCAD MEP Object Enabler 2021 | Autodesk                |
| Inventor Language Pack 2021 Professional               | Autodesk                |
| Revit Interoperability for Navisworks Manage 21.0      | Autodesk                |
| Roombook Areabook Buildingbook for Revit 2020          | Autodesk                |
| DocAve 6.10                                            | AvePoint                |
| DocAve 6.5                                             | AvePoint                |
| GitKraken 6.4                                          | Axosoft                 |
| GitKraken 5.0                                          | Axosoft                 |
| GitKraken 6.1                                          | Axosoft                 |
| GitKraken 6.5                                          | Axosoft                 |
| GitKraken 4.2                                          | Axosoft                 |
| Access Client 3.4                                      | Barracuda Networks      |
| 2Do 2.6                                                | Beehive Innovations     |
| Remedy Action Request System 18.08                     | BMC Software            |
| TrueSight Capacity Optimization Agent Collector 10.7   | BMC Software            |
| Service Request Management 18.05                       | BMC Software            |
| Discovery Active Directory Proxy 11.3                  | BMC Software            |
| tw-outpost 12.0                                        | BMC Software            |
| Service Level Management Collection Point 7.5          | BMC Software            |
| Control-M Server for Microsoft Windows 8.0             | BMC Software            |
| tideway-content 2.0                                    | BMC Software            |
| tideway-devices 5.0                                    | BMC Software            |
| tideway-content-api 2.0                                | BMC Software            |
| Atrium Integrator 18.08                                | BMC Software            |
| Remedy IT Service Management - Process Designer 8.3    | BMC Software            |
| Remedy Single Sign-On 20.2                             | BMC Software            |
| msend 7.0                                              | BMC Software            |
| ProactiveNet Analytics Agent 7.7                       | BMC Software            |
| BMC Discovery 12.0                                     | BMC Software            |
| Atrium Orchestrator Operator Control Panel service 8.2 | BMC Software            |
| tideway-device-api 5.0                                 | BMC Software            |
| Atrium Integrator 20.02                                | BMC Software            |
| Remedy Smart Reporting                                 | BMC Software            |
| Process Designer Client 8.3                            | BMC Software            |
| PayBase 9.1                                            | Bottomline Technologies |
| Service Catalog 17.2                                   | Broadcom                |
| Business Intelligence Client Tools 4.1                 | Broadcom                |
| Unified Self-Service 14.1                              | Broadcom                |
| Service Catalog 13.0                                   | Broadcom                |
| Configuration Automation Grid Node 12.8                | Broadcom                |
| Registry 3.2                                           | Broadcom                |
| Service Desk ODBC Client 12.0                          | Broadcom                |

|                                                           |                |
|-----------------------------------------------------------|----------------|
| Directory 12.6                                            | Broadcom       |
| Process Automation Agent                                  | Broadcom       |
