

## List of new applications added in ARL #2589

| Application Name                          | Publisher              |
|-------------------------------------------|------------------------|
| Adaptiva Workbench 7.1                    | Adaptiva               |
| Adaptiva Client 7.1                       | Adaptiva               |
| Adaptiva Server 7.1                       | Adaptiva               |
| Batch Image Manipulation Plugin for GIMP  | Alessandro Francesconi |
| Fiscal Management                         | Allscripts Healthcare  |
| MapForce Integration Package 2019         | Altova                 |
| aopalliance 1.0                           | Amazon                 |
| apache-commons-cli 1.2                    | Amazon                 |
| apache-commons-io 2.4                     | Amazon                 |
| apache-commons-lang 2.6                   | Amazon                 |
| apache-commons-net 3.2                    | Amazon                 |
| avalon-framework 4.3                      | Amazon                 |
| avalon-logkit 2.1                         | Amazon                 |
| bcel 5.2                                  | Amazon                 |
| cairo 1.1                                 | Amazon                 |
| Felix framework 4.2                       | Amazon                 |
| GeoIP 1.5                                 | Amazon                 |
| giflib 4.1                                | Amazon                 |
| google-guice 3.1                          | Amazon                 |
| httpcomponents-client 4.2                 | Amazon                 |
| httpcomponents-core 4.2                   | Amazon                 |
| javamail 1.4                              | Amazon                 |
| javassist 3.16                            | Amazon                 |
| jboss-jaxrpc-1.1-api 1.0                  | Amazon                 |
| jsch 0.1                                  | Amazon                 |
| jsoup 1.6                                 | Amazon                 |
| libjpeg-turbo 1.2                         | Amazon                 |
| maven-wagon 2.4                           | Amazon                 |
| OpenJDK Runtime Environment Corretto 11.0 | Amazon                 |
| openssl-lib 1.0                           | Amazon                 |
| postfix 2.10                              | Amazon                 |
| regex 1                                   | Amazon                 |
| slf4j 1                                   | Amazon                 |
| strace 4.26                               | Amazon                 |
| strace 4.22                               | Amazon                 |
| vim-minimal 8.1                           | Amazon                 |
| xbean 3.13                                | Amazon                 |
| AWS SAM Command Line Interface 1.17       | Amazon                 |
| AWS SAM Command Line Interface 1.16       | Amazon                 |
| BetterTouchTool 3.553                     | Andreas Hegenberg      |
| BetterTouchTool 3.551                     | Andreas Hegenberg      |
| MagView Client                            | Applied Software       |
