

## List of Application added in ARL #2670

| Application Name                                     | Publisher                    |
|------------------------------------------------------|------------------------------|
| Mobile Eye                                           | 7signal                      |
| 800xA for MOD 300 5.1                                | ABB                          |
| 800xA Multisystem Integration 5.1                    | ABB                          |
| Application Change Management 5.1                    | ABB                          |
| Aspect Express                                       | ABB                          |
| Asset Optimization 5.1                               | ABB                          |
| Diagnostics Collection Tool 6.0                      | ABB                          |
| Engineering Studio 5.1                               | ABB                          |
| Horizon MB                                           | ABB                          |
| IEC 61850 Operation Library for Substation Equipment | ABB                          |
| Inform IT Calculations 5.1                           | ABB                          |
| Inform IT Calculations 6.0                           | ABB                          |
| Inform IT DataDirect 5.1                             | ABB                          |
| Inform IT Open Data Access 5.1                       | ABB                          |
| Inform IT Open Data Access Client 5.1                | ABB                          |
| Panel Builder 800 6.0                                | ABB                          |
| PLC Connect 5.1                                      | ABB                          |
| Process Engineering Tool Integration 5.1             | ABB                          |
| SCL Component 2.1                                    | ABB                          |
| Smart Client 2.3                                     | ABB                          |
| Smart Client 2.2                                     | ABB                          |
| SMS and e-mail Messaging System 6.0                  | ABB                          |
| SoftPoint Server 5.1                                 | ABB                          |
| ABB Inform IT - Display Services 5.1                 | ABB                          |
| ABB Inform IT - Desktop Trends 5.1                   | ABB                          |
| Automation Builder Installation Manager 2.1          | ABB                          |
| Freelance CBF Viewer 10.1                            | ABB                          |
| Panel Builder 600                                    | ABB                          |
| Relion 650 Series IED Connectivity Package 1.1       | ABB                          |
| Licence Administrator 2.6                            | acQuire Technology Solutions |
| Neo Web 2.6                                          | acQuire Technology Solutions |
| Acrobat DC (2022) Continuous                         | Adobe                        |
| Acrobat DC (2021) Classic Pro                        | Adobe                        |
| Acrobat DC (2019) Classic Standard                   | Adobe                        |
| Acrobat DC (2021) Classic Standard                   | Adobe                        |
| Acrobat DC (2021) Continuous Standard                | Adobe                        |
| Acrobat Reader DC (2022)                             | Adobe                        |
| Illustrator 5                                        | Adobe                        |
| Premiere CC (2017)                                   | Adobe                        |
| Neolane 6.1                                          | Adobe                        |
| Advanced Host Monitor                                | Advanced Network Software    |
| Trace.Net 2.1                                        | AFL                          |
| Migration Evaluator                                  | Amazon                       |
| BetterTouchTool 3.372                                | Andreas Hegenberg            |

|                                                       |                            |
|-------------------------------------------------------|----------------------------|
| BetterTouchTool 2.503                                 | Andreas Hegenberg          |
| BetterTouchTool 3.623                                 | Andreas Hegenberg          |
| BetterTouchTool 2.636                                 | Andreas Hegenberg          |
| BetterTouchTool 3.108                                 | Andreas Hegenberg          |
| BetterTouchTool 2.697                                 | Andreas Hegenberg          |
| BetterTouchTool 3.335                                 | Andreas Hegenberg          |
