

## List of Versions Added in ARL #2673

| Publisher                      | Product                                  | Version     |
|--------------------------------|------------------------------------------|-------------|
| 360                            | 360 Total Security                       | 10.8        |
| 8bit Solutions                 | Bitwarden                                | 1.31        |
| 8bit Solutions                 | Bitwarden                                | 1.32        |
| Abacre                         | Advanced Find and Replace                | 8.1         |
| ABB                            | RobotStudio                              | 2021.2      |
| Abhishek Banthia               | Clocker                                  | 22.0        |
| Ableton                        | Live                                     | 11.0        |
| Absyss                         | Visual TOM                               | 6.1         |
| Absyss                         | Visual TOM                               | 6.3         |
| ACD Systems                    | ACDSee Pro                               | 5.1         |
| Acqualia Software              | Soulver                                  | 2.9         |
| Acute Systems                  | TransMac                                 | 14.1        |
| Adblock Pro                    | Adblock Pro                              | 2.7         |
| Add-in Express                 | Ultimate Suite for Microsoft Excel       | 21.5        |
| Add-in Express                 | Add-ins Collection for Microsoft Outlook | 21.1        |
| AdGuard                        | AdGuard                                  | 7.8         |
| Adiscon                        | Rsyslog                                  | 8.19        |
| Adlice Software                | RogueKiller                              | 14.1        |
| Adobe                          | Fresco                                   | 3.4         |
| Adobe                          | Acrobat                                  | DC (2021)   |
| Advanced Conveyor Technologies | Sidewinder Conveyor Design Software      | 8.0         |
| Aeon Timeline                  | Aeon Timeline                            | 3.0         |
| Agilent Technologies           | Lab Advisor                              | 2.18        |
| AIMP DevTeam                   | AIMP                                     | 5.1         |
| Akkadian Labs                  | Akkadian Console                         | 4.8         |
| ALE International              | PCXTools OMC                             | 5.0         |
| Alessandro Francesconi         | Batch Image Manipulation Plugin for GIMP | 2.5         |
| Alexandru Denk                 | TunesMechanic                            | 2.3         |
| All Turtles                    | mmhmm                                    | 1.1         |
| All Turtles                    | mmhmm                                    | 1.4         |
| ALLPlayer Group                | ALLPlayer                                | 8.9         |
| Altium                         | Altium Designer                          | 21.9        |
| Altium                         | Altium Designer                          | 22.1        |
| Anaconda                       | Miniconda                                | 4.0         |
| Analyse-it Software            | Analyse-it for Microsoft Excel           | 5.92        |
| Andreas Hegenberg              | BetterTouchTool                          | 3.741       |
| Apache Software Foundation     | CouchDB                                  | 3.2         |
| A-PDF.com                      | Rename                                   | Unspecified |
| AppDynamics                    | AppDynamics .NET Agent                   | 21.1        |
| AppDynamics                    | AppDynamics .NET Agent                   | 21.11       |
| AppDynamics                    | Machine Agent                            | 20.3        |
| AppDynamics                    | Machine Agent                            | 4.2         |
| Apple                          | AppleScript                              | 2.1         |
| Apple                          | AppleScript                              | 2.2         |
| Apple                          | AppleScript                              | 2.3         |
| Apple                          | AppleScript                              | 2.5         |
| Aquaveo                        | WMS                                      | 9.1         |

|                               |                                                 |             |
|-------------------------------|-------------------------------------------------|-------------|
| Arcad                         | DROPS                                           | 2.6         |
| Arcad                         | DROPS-Release Manager                           | 4.1         |
| Ard fry Imaging               | PSD CODEC                                       | 1.6         |
| Arm                           | Treasure Agent (td-agent)                       | 4.1         |
| Articulate Global             | Storyline                                       | 3.14        |
