

### List of Versions added in ARL #2695

| Publisher                  | Product                               | Version     |
|----------------------------|---------------------------------------|-------------|
| 1E                         | Tachyon Instruction Management Studio | 8.1         |
| 1E                         | SLA Platform                          | 8.1         |
| 1E                         | Tachyon Client                        | 8           |
| 1E                         | Tachyon Server                        | 8.1         |
| ABT                        | SciChart SDK                          | 6.5         |
| ActiveState                | Komodo Edit                           | Unspecified |
| AdGuard                    | AdGuard                               | 7.9         |
| Adobe                      | Creative Cloud Desktop Application    | 5.8         |
| Adobe                      | Substance 3D Designer                 | 12.2        |
| AFMG Technologies          | EASE Address                          | 1.1         |
| Allround Automations       | PL/SQL Developer                      | 15.0        |
| Amazon                     | hadoop-mapreduce                      | 2.10        |
| Amazon                     | Amazon WorkSpaces                     | 5.1         |
| Amazon                     | Augeas                                | 1           |
| Apache Software Foundation | Hadoop DataNode                       | 2.10        |
| Apache Software Foundation | Hadoop Yarn Node Manager              | 2.10        |
| Apache Software Foundation | Spark                                 | 2.4         |
| Apache Software Foundation | Hadoop NameNode                       | 2.10        |
| Apache Software Foundation | NetBeans IDE                          | Unspecified |
| Apache Software Foundation | HttpFS                                | 2           |
| Apache Software Foundation | Hadoop Yarn Resource Manager          | 2.10        |
| Apache Software Foundation | Hadoop Httpfs                         | 3           |
| Articulate Global          | Articulate 360                        | 1.66        |
| Autodesk                   | Storm and Sanitary Analysis           | 2023        |
| Autodesk                   | FormIt 360                            | 23.0        |
| Autodesk                   | Project Explorer for Civil 3D         | 2023        |
| Autodesk                   | Fabrication CADmep                    | 2023        |
| Autodesk                   | Revit Extensions for Revit MEP        | 2023        |
| Autodesk                   | CFD                                   | 2023        |
| Autodesk                   | CFD                                   | Unspecified |
| Autodesk                   | FormIt 360                            | 2023        |
| Autodesk                   | Structural Bridge Design              | 2023        |
| Autodesk                   | Point Layout                          | 2023        |
| Autodesk                   | Simulation CFD Viewer                 | 2023        |
| Autodesk                   | Autodesk Coordinates Transformation   | 2023        |
| Autodesk                   | NavisWorks Simulate                   | 2023        |
| Avalara                    | AvaTax for Microsoft Dynamics GP      | 2018        |
| AVG Technologies           | AVG Anti-Virus                        | 22          |
| Avid                       | Pro Tools                             | 2020.12     |
| Avid                       | Pro Tools                             | 2020.9      |
| Avid                       | Pro Tools                             | 2020.11     |
| Axway                      | Secure Client                         | 6.4         |
| Bare Bones Software        | BEdit                                 | 14.5        |
| Bitvise                    | SSH Client                            | 9           |
| Bitvise                    | SSH Client FlowSshNet                 | 9.16        |

|                       |                                      |             |
|-----------------------|--------------------------------------|-------------|
| Bitvise               | SSH Client FlowSshNet                | 9.23        |
| BizInt Solutions      | BizInsight                           | 5.0         |
| Blue Prism            | Blue Prism                           | 7.1         |
| Blueprint             | Blueprint                            | Unspecified |
| Bomgar                | Jump Client                          | 21.3        |
| Bomgar                | Jump Client                          | 22.2        |
| BrightWork            | BrightWork                           | 14.4        |
| Broadcom              | Protection for SharePoint Servers    | 6.1         |
| Bruno Pages           | Bouml                                | 6           |
