

## List of Applications Updated in ARL #2599

| Application Name                          | Publisher                         |
|-------------------------------------------|-----------------------------------|
| Graphical Development Environment         | Ab Initio                         |
| FineReader Sprint 12.0                    | ABBYY                             |
| Evidence Processing Engine 10.1           | AccessData                        |
| Forensic Toolkit 6.2                      | AccessData                        |
| Forensic Toolkit 7.1                      | AccessData                        |
| Acrobat Reader DC                         | Adobe                             |
| InDesign CS6 - UNAUTHORIZED               | Adobe                             |
| Photoshop Lightroom CC 3.0                | Adobe                             |
| Photoshop CC (2020)                       | Adobe                             |
| Photoshop CC (2021)                       | Adobe                             |
| Photoshop CS2                             | Adobe                             |
| Acrobat DC (2021) Continuous Pro          | Adobe                             |
| OpenLAB CDS 1.02 ChemStation              | Agilent Technologies              |
| OpenLAB CDS 1.07 ChemStation              | Agilent Technologies              |
| OpenLAB CDS 1.06 ChemStation              | Agilent Technologies              |
| FoneTrans 9.1                             | Aiseesoft Studio                  |
| Delphi Workstation 9.5                    | Amadeus                           |
| HTTP Server                               | Apache Software Foundation        |
| Solr 6.6                                  | Apache Software Foundation        |
| Solr 7.3                                  | Apache Software Foundation        |
| Solr 7.4                                  | Apache Software Foundation        |
| Solr 7.7                                  | Apache Software Foundation        |
| Solr 8.2                                  | Apache Software Foundation        |
| Solr 8.4                                  | Apache Software Foundation        |
| Solr 9.0                                  | Apache Software Foundation        |
| Merge 2010                                | Araxis                            |
| Merge 2012                                | Araxis                            |
| Merge 2017                                | Araxis                            |
| Defendpoint Client 4.1                    | BeyondTrust                       |
| BNA Income Tax Planner                    | Bloomberg BNA                     |
| BMC Discovery Proxy Manager 12.1          | BMC Software                      |
| Harvest Software Change Manager 10.0      | Broadcom                          |
| centos-release 5.8                        | CentOS                            |
| centos-release 6.8                        | CentOS                            |
| centos-release 6.10                       | CentOS                            |
| centos-release 7.6                        | CentOS                            |
| centos-release 6.9                        | CentOS                            |
| centos-release 7.5                        | CentOS                            |
| centos-release 6.6                        | CentOS                            |
| centos-release 8.1                        | CentOS                            |
| centos-release 7.4                        | CentOS                            |
| Check Point Endpoint Security E80.90      | Check Point Software Technologies |
| Chromium 82.0                             | Chromium Project, The             |
| Enterprise Spreadsheet Manager (ESM) 10.1 | ClusterSeven                      |
| Mastercam 9                               | CNC Software                      |
| Mastercam 10                              | CNC Software                      |

|                                                      |                         |
|------------------------------------------------------|-------------------------|
| Mastercam 11                                         | CNC Software            |
| Mastercam 12                                         | CNC Software            |
| Mastercam 13                                         | CNC Software            |
| Mastercam 14                                         | CNC Software            |
| Mastercam 15                                         | CNC Software            |
| Mastercam 16                                         | CNC Software            |
| Mastercam X8                                         | CNC Software            |
| Mastercam 2017 Demo/HLE                              | CNC Software            |
| Mastercam 2018                                       | CNC Software            |
| Mastercam 2017                                       | CNC Software            |
| Mastercam 2020                                       | CNC Software            |
| Mastercam 2019                                       | CNC Software            |
| Mastercam 1.0                                        | CNC Software            |
| Mastercam X7                                         | CNC Software            |
| Mastercam 6                                          | CNC Software            |
| Mastercam 3.0                                        | CNC Software            |
| Mastercam 8.1                                        | CNC Software            |
| Mastercam 7                                          | CNC Software            |
| Mastercam 2021                                       | CNC Software            |
| Inventory Collector 7                                | Dell Technologies       |
| EXAMPLE Author 7.0                                   | Duck Creek Technologies |
| Delphi 9.5                                           | Embarcadero             |
| AdminStudio Virtualization 2020                      | Flexera                 |
| FlexNet Inventory Agent 2015 R2                      | Flexera                 |
| FlexNet Inventory Agent 2020 R1                      | Flexera                 |
| FlexNet Inventory Agent 2020 R1.1                    | Flexera                 |
| Fusion 2020                                          | Freedom Scientific      |
| Fuze                                                 | Fuze                    |
| Fuze Outlook Add-In                                  | Fuze                    |
| Domino                                               | HCL Technologies        |
| Highfive 2.9                                         | Highfive                |
| Principle 5.1                                        | Hooper Software         |
| OnBase Studio 18.0                                   | Hyland Software         |
| WebSphere MQ (Unknown component) 9.0                 | IBM                     |
| Systems Director 5.20                                | IBM                     |
| i Access Client Solutions - Application Package 11.1 | IBM                     |
| Telegraf 1                                           | InfluxData              |
| Telegraf 1.11                                        | InfluxData              |
| Telegraf 1.14                                        | InfluxData              |
| Telegraf 1.5                                         | InfluxData              |
| Able2Extract 16.0 Professional                       | Investintech.com        |
| GoldMine 2017.1                                      | Ivanti                  |
| PyCharm 2020.3 Community                             | JetBrains               |
| PyCharm 2020.3 Professional                          | JetBrains               |
| PLC Designer 3.18                                    | Lenze                   |
| Reflection Desktop 17.0                              | Micro Focus             |
| Enterprise Developer 6.0                             | Micro Focus             |
| .NET Core SDK 2                                      | Microsoft               |

|                                                             |                          |
|-------------------------------------------------------------|--------------------------|
| .NET Core SDK 3.1                                           | Microsoft                |
| .NET Core Templates 5.0                                     | Microsoft                |
| .NET Core Windows Server Hosting 3.1                        | Microsoft                |
| Analysis Services OLE DB Provider for SQL Server 2017 15.0  | Microsoft                |
| ASP.NET Core Shared Framework 5.0                           | Microsoft                |
| Exchange Server 2016 Standard                               | Microsoft                |
| Flight Simulator 2004 : A Century of Flight 9               | Microsoft                |
| Gateway Components 15.7                                     | Microsoft                |
| Office 365 2016 Enterprise                                  | Microsoft                |
| OneDrive 21.0                                               | Microsoft                |
| Power BI 2.8 Desktop                                        | Microsoft                |
| SQL Server Master Data Services Add-in for Excel 2016       | Microsoft                |
| SQL Server Migration Assistant for Access 8                 | Microsoft                |
| Teams                                                       | Microsoft                |
| Visual C++ Minimum Runtime 2015                             | Microsoft                |
| Visual Studio Code Insiders 1.53                            | Microsoft                |
| Windows Mobile Device Center 6                              | Microsoft                |
| Plus! for Windows NT                                        | Microsoft                |
| Risk and Health Assessment Program for Active Directory 8.5 | Microsoft                |
| PowerToys 0.1 Preview                                       | Microsoft                |
| PowerToys 0.2 Preview                                       | Microsoft                |
| PowerToys Pre Releases 0.3 Preview                          | Microsoft                |
| Refinishing Materials Calculator                            | Mitchell International   |
| Firefox 85.0                                                | Mozilla                  |
| SnapManager for SAP 3.4                                     | NetApp                   |
| Extream Licensing 1.2                                       | OpenText                 |
| Hyperion Offline Planning 11.1                              | Oracle                   |
| Java Development Kit (Public) 5 Standard                    | Oracle                   |
| Java Development Kit (Public) 6 Standard                    | Oracle                   |
| Java Runtime Environment 8 Standard                         | Oracle                   |
| mysql-commercial-client 8.0                                 | Oracle                   |
| Java Development Kit 5 Standard                             | Oracle                   |
| Java Platform (Public) 10 Standard                          | Oracle                   |
| Java Platform (Public) 5 Standard                           | Oracle                   |
| Java Platform (Public) 6 Standard                           | Oracle                   |
| Java Platform (Public) 7 Standard                           | Oracle                   |
| Java Platform (Public) 8 Standard                           | Oracle                   |
| Java Platform 11 Standard                                   | Oracle                   |
